XXIII.	APPENDICES	20

- A. Plaintiff United States of America, on behalf of the United States Environmental Protection Agency ("EPA"), has filed a complaint in this action concurrently with this Consent Judgment, alleging that Defendants, City of New York and the New York City Department of Education (collectively "Defendants") violated Section 112 of the Clean Air Act ("Act"), 42 U.S.C. § 7412, and the Act's implementing regulations at 40 C.F.R. Part 63, Subpart JJJJJJ, §§ 63.11193 et seq. (known as the "Area Source Boiler Rule").
- B. The Complaint against Defendants alleges that Defendants operated approximately 1,329 oil-fired boilers at 566 of Defendants' school buildings, in violation of the Act and the Area Source Boiler Rule. The Area Source Boiler Rule seeks to reduce emissions of hazardous air pollutants by requiring oil-fired boiler owners and operators to perform initial and subsequent periodic tune-ups, to conduct one-time energy assessments, and to give notice of compliance to EPA by certain deadlines, among other things. *See* 40 C.F.R. §§ 63.11225(a)(2), (a)(4), (b); 63.1196(a)(1), (a)(3).
- C. Defendants do not admit any liability to the United States arising out of the transactions or occurrences alleged in the Complaint.
- D. The Parties recognize, and the Court by entering this Consent Judgment finds, that this Consent Judgment has been negotiated by the Parties in good faith and will avoid litigation between the Parties and that this Consent Judgment is fair, reasonable, and in the public interest.

NOW, THEREFORE, before the taking of any testimony, without the adjudication or admission of any issue of fact or law except as provided in Section I, and with the consent of the Parties, IT IS HEREBY ADJUDGED, ORDERED, AND DECREED as follows:

#### I. JURISDICTION AND VENUE

- 1. This Court has jurisdiction over the subject matter of this action, pursuant to 28 U.S.C. §§ 1331, 1345, and 1355, and Sections 112 and 113(b) of the Act, 42 U.S.C. §§ 7412 and 7413(b), and over the Parties. Venue lies in this District pursuant to Section 113(b) of the Act, 42 U.S.C. § 7413(b), and 28 U.S.C. §§ 1391 and 1395(a), because Defendants reside and are located in this judicial district, and a substantial part of the violations alleged in the Complaint are alleged to have occurred in this judicial district. For purposes of this Consent Judgment, or any action to enforce this Consent Judgment, Defendants consent to the Court's jurisdiction over this Consent Judgment and any such action, and Defendants consent to venue in this judicial district.
- 2. For purposes of this Consent Judgment, Defendants agree that the Complaint states claims upon which relief may be granted pursuant to Sections 112 and 113(b) of the Act, 42 U.S.C. §§ 7412 and 7413(b).
- 3. Notice of the commencement of this action has been given to the State of New York in accordance with Section 113(b) of the Act, 42 U.S.C. § 7413(b). Notice has also been provided to the New York City Department of Environmental Protection ("NYC DEP").

#### II. APPLICABILITY

- 4. The obligations of this Consent Judgment apply to and are binding upon the United States, and upon Defendants and any successors, assigns, or other entities or persons otherwise bound by law.
- 5. No transfer of ownership or operation of the Subject Facilities, whether in compliance with the procedures of this Paragraph or otherwise, shall relieve Defendants of their obligation to ensure that the terms of the Consent Judgment are implemented. At least 30 Days prior to such transfer, Defendants shall provide a copy of this Consent Judgment to the proposed transferee and shall simultaneously provide written notice of the prospective transfer, together with a copy of the proposed written agreement, to EPA Region 2, the United States Attorney for the Eastern District of New York, and the United States Department of Justice, in accordance with Section XXIII (Notices). Any attempt to transfer ownership or operation of the Subject Facilities without complying with this Paragraph constitutes a violation of this Consent Judgment.
- 6. Defendants shall provide a copy of this Consent Judgment to all officers, employees, and agents whose duties might reasonably include compliance with any provision of this Consent Judgment, as well as to any contractor retained to perform work required under this Consent Judgment. Defendants shall condition any such contract upon performance of the work in conformity with the terms of this Consent Judgment.
- 7. In any action to enforce this Consent Judgment, Defendants shall not raise as a defense the failure by any of their officers, directors, employees, agents, or contractors to take any actions necessary to comply with the provisions of this Consent Judgment.

#### III. DEFINITIONS

8. Terms used in this Consent Judgment that are defined in the Act or in regulations promulgated pursuant to the Act shall have the meanings assigned to them in the Act or such regulations, unless otherwise provided in this Consent Judgment. Whenever the terms set forth below are used in this Consent Judgment, the following definitions shall apply:

"Complaint" shall mean the complaint filed by the United States in this action;

"Consent Judgment" shall mean this Consent Judgment and all appendices attached hereto (listed in Section XXIV);

"Day" shall mean a calendar day unless expressly stated to be a business day. In computing any period of time under this Consent Judgment, where the last day would fall on a Saturday, Sunday, or federal holiday, the period shall run until the close of business of the next business day;

"Defendants" shall mean the City of New York and the New York City Department of Education ("NYC DOE");

"EPA" shall mean the United States Environmental Protection Agency and any of its successor departments or agencies;

"Effective Date" shall have the definition provided in Section XV.

"Paragraph" shall mean a portion of this Consent Judgment identified by an arabic numeral;

"Parties" shall mean the United States and Defendants;

"Section" shall mean a portion of this Consent Judgment identified by a roman numeral;

"Subject Facilities" shall mean each and any one of Defendants' school buildings where an oil-fired boiler is located, which is subject to the Area Source Boiler Rule, 40 C.F.R. Part 63, Subpart JJJJJJ.

"United States" shall mean the United States of America, acting on behalf of EPA;

#### IV. CIVIL PENALTY

- 9. Within 60 days of the Effective Date, Defendants shall pay the sum of \$1,000,000 as a civil penalty.
- 10. Defendants shall pay the civil penalty due to the United States Department of Justice by FedWire Electronic Funds Transfer ("EFT") to the United States Department of Justice in accordance with written instructions to be provided by the United States Attorney's Office to the Defendants following entry of the Consent Judgment. At the time of payment, the Town shall send a copy of the EFT authorization form and the EFT transaction record, together with a transmittal letter to the United States in accordance with Section XIV of this Consent Judgment (Notices); by email to cinwd\_acctsreceivable@epa.gov; or by mail to:

EPA Cincinnati Finance Office

26 West Martin Luther King Drive

Cincinnati, Ohio 45268

Attention: Finance, Mail Code: NWD

The letter shall state that the payment is for the civil penalty owed pursuant to the Consent Judgment in United States v. City of New York, and shall reference the civil action number, the CDCS number and DOJ case number 90-5-2-1-11718.

#### V. COMPLIANCE REQUIREMENTS

- 11. Defendants shall comply with all applicable requirements of the Act, and of the Area Source Boiler Rule, 40 C.F.R. Part 63, Subpart JJJJJJ, §§ 63.11193 et seq., as amended, with respect to the Subject Facilities.
- 12. Compliance schedule for conducting biennial and every 5-year boiler tuneups at Subject Facilities. Starting from the Date of Lodging, based on the date of the most recent tune-up completed for each subject oil-fired boiler, as identified in the Notification of Compliance Status ("NOCS") report attached to this Consent Judgment as Appendix A, Defendants shall conduct the next required tune-up at each of the subject boilers, in accordance with 40 C.F.R. § 63.11223.

- a. For boilers that are subject to 40 C.F.R. § 63.11223(b), Defendants shall ensure that each biennial tune-up is conducted no more than 25 months after the previous tune-up that was conducted in compliance with the Area Source Boiler Rule.
- b. For boilers that are subject to 40 C.F.R. § 63.11223(c), Defendants shall ensure that each five-year tune up is conducted no more than 61 months after the previous tune-up that was conducted to comply with the Area Source Boiler Rule.
- c. Defendants shall maintain and update the NOCS spreadsheet to identify the date that each subsequent tune-up is completed, and shall schedule each biennial and five-year tune-up thereafter, as applicable, based on these dates and the applicable timeframes in 40 C.F.R. § 63.11223. Defendants shall submit the NOCS spreadsheet, including any updates, as part of each semi-annual report required under Paragraph 24.a of this Consent Judgment.
- 13. Verification and review of tune-ups and tune-up records. Beginning on the Date of Lodging, Defendants shall implement the following protocol as a compliance management plan, as set forth in this Paragraph, (the "Compliance Management Plan") for each tune-up conducted at the Subject Facilities. A flow chart representing a summary of the Compliance Management Plan requirements is attached to this Consent Judgment as Appendix B.
- a. **Boiler tune-ups.** Defendants shall ensure that each boiler tune-up conducted under the Area Source Boiler Rule is performed by a "Class A" or "Class B" Licensed Oil Burning Equipment Installer or by a Qualified Combustion Tester ("QCT"). The requirements for obtaining a Class A or Class B Oil Burning Equipment Installer license in New York City are set forth in Appendix C to this Consent Judgment. A QCT means a person certified by the NYC DEP Bureau of Air Resources with a certificate number assigned to them by the NYC DEP.
- i. **NYC DOE oversight.** A contractor's performance of the tune-up will be supervised by a qualified NYC DOE employee (e.g., School Based Operations Staff such as Custodian Engineer, Fireman or Designated Staff, or another employee of the school who is in charge of onsite boiler operations and maintenance, or from an NYC DOE central office). The NYC DOE employee will indicate that he or she has witnessed the tune-up by signing the Boiler Maintenance Checklist required by subparagraph 13.b. below.
- b. **Boiler Maintenance Checklist and proposed repairs.** Consistent with 40 C.F.R. §§ 63.11223(b) and 63.11225(c), for each tune-up conducted under the Area Source Boiler Rule, Defendants shall ensure that the Licensed Oil Burning Equipment Installer and/or QCT submit to NYC DOE, within 10 Days after conducting the tune-up, a completed Boiler Maintenance Checklist to document and record the procedures followed and the data for each tune-up. The Boiler Maintenance Checklist is set forth in Appendix D to this Consent Judgment.
- i. Certification of Boiler Maintenance Checklists. NYC DOE shall ensure that each Boiler Maintenance Checklist submitted pursuant to this Paragraph is signed and certified by the individual(s) who conducted the tune-up, attesting to the truth, accuracy, and completeness of the information contained therein. The certification included with

each Boiler Maintenance Checklist shall include the full name of the Licensed Oil Burning Equipment Installer or the QCT, and their Oil Burning Equipment Installer license number or certificate number, as applicable. NYC DOE shall also ensure that each Boiler Maintenance Checklist includes the signature of the NYC DOE School Based Operations Staff, i.e., Custodian Engineer, Fireman or Designated Staff who witnessed the tune-up in accordance with subparagraph 13.a.i., above.

- Defendants shall instruct its Licensed Oil Burning Equipment Installers and/or QCTs to identify any deficiencies in burner operations and any other deficiencies that may significantly impact boiler efficiency, using the relevant section(s) of each Boiler Maintenance Checklist submitted pursuant to this Paragraph. Defendants shall further instruct its Licensed Oil Equipment Burner Installers and/or QCTs to include in each submitted Boiler Maintenance Checklist the proposed action(s) to correct such deficiencies, including detailed recommendations and proposals for needed repairs, if any. Each recommendation/proposal shall include a timeframe for promptly completing the repair work consistent with subparagraph 14.3.i., below.
- c. **NYC DOE review of tune-up records.** Within 30 Days of completing each tune-up, each Boiler Maintenance Checklist submitted by the Licensed Oil Burning Installer or QCT shall be reviewed by a NYC DOE Supervisor of Mechanical Installation and Maintenance ("SMIM"), to verify that the Boiler Maintenance Checklist is complete in accordance with this Paragraph 13. If any Boiler Maintenance Checklist is found to be incomplete or inadequate in the judgment of the SMIM, the SMIM shall notify the Licensed Oil Burning Installer or QCT of such finding, and shall ensure that all inadequacies are corrected within 7 Days of such finding.
- i. If the SMIM verifies that the Boiler Maintenance Checklist is adequate, and the Boiler Maintenance Checklist includes recommendations or proposals for any boiler maintenance or repairs, then the SMIM shall evaluate the proposals and take action in accordance with Paragraph 13.d.
- ii. If the SMIM verifies that the Boiler Maintenance Checklist is adequate, and no further boiler maintenance or repairs are proposed, then the SMIM shall approve the Boiler Maintenance Checklist pending further review by the NYC DOE Administrative Engineer as provided in Paragraph 13.e.
- d. Corrective action/boiler repairs. Notwithstanding the terms below in subparagraphs 13.d.ii. and iii., Defendants shall complete all boiler repairs necessary to comply with the Area Source Boiler Rule, 40 C.F.R. Part 63, Subpart JJJJJJ, §§ 63.11193 et seq. Within 60 Days of completion of each tune-up, for each Boiler Maintenance Checklist that includes recommendations or proposals for any further boiler maintenance or repairs, the SMIM shall make a determination to approve, modify, or disapprove the proposed work in accordance with this Paragraph 13.d.
- i. If the SMIM approves the proposed repair work, then upon approval, Defendants shall ensure that such repairs are adequately completed no later than 180

Days after completion of the boiler tune-up. If the repairs cannot be completed within 180 days, the Boiler will remain out of service until the repairs are completed.

- A. Defendants shall further ensure that upon completing the approved work, the Licensed Oil Burning Installer or QCT will conduct a follow-up tune-up to optimize combustion efficiency, and shall conduct before-and-after combustion efficiency tests, which are recorded on a printout from the calibrated combustion analyzer.
- B. Defendants shall ensure that the Licensed Oil Burning Installer or QCT submits an updated Boiler Maintenance Checklist within 21 Days of completing the follow-up combustion efficiency test under subparagraph 13.d.i.A., in accordance with the checklist requirements in Paragraph 14.b. The SMIM shall review and verify the updated Boiler Maintenance Checklist in accordance with the requirements in Paragraph 13.c. The SMIM's approval of an updated Boiler Maintenance Checklist signifies that the boiler maintenance or repair work has been completed successfully. A repaired boiler may not be placed into service until the SMIM has approved the updated Boiler Maintenance Checklist.
- ii. If the SMIM determines that the scope and/or timeframe(s) for any proposed repair work should be modified, the SMIM shall consult with the appropriate Licensed Oil Burning Installer or QCT with respect to the proposed work. Following such consultation, the SMIM shall include with the submitted Boiler Maintenance Checklist a written description of the specific reasons for any modifications to the proposed work. Upon the SMIM's approval of the work plan as modified, Defendants shall comply with the requirements in subparagraph 13.d.i., above, including pre-combustion efficiency testing, follow-up boiler burner tune-up, the second combustion efficiency test, and subsequent review and verification of the updated Boiler Maintenance Checklist.
- iii. If the SMIM disapproves the proposed repair work and determines that no repairs are necessary, the SMIM shall consult with the appropriate Licensed Oil Burning Installer or QCT with respect to the proposed work. Following such consultation, the SMIM shall include with the submitted Boiler Maintenance Checklist a written description of the specific reasons for disapproving the proposed work. If, however, following the consultation the SMIM determines that the proposed work should be implemented or modified, Defendants shall comply with the requirements in subparagraph 13.d.i. and ii., above, as applicable, including pre-combustion efficiency testing, follow-up boiler burner tune-up, the second combustion efficiency test, and subsequent review and verification of the updated Boiler Maintenance Checklist.
- e. NYC DOE Administrative Engineer review. Defendants shall ensure that the NYC DOE Administrative Engineer reviews and verifies the completeness and adequacy of the SMIM-approved Boiler Maintenance Checklists and attached combustion efficiency test reports, as required by this Paragraph, for no less than 50% of all boiler tune-ups completed during a calendar year. This NYC DOE review and verification shall include each boiler firing No. 4 oil, and each Boiler Maintenance Checklist that includes a recommendation or proposal for boiler repairs. In the event that the total number of such boiler tune-ups is less than 50% of all boiler tune-ups during a calendar year, the NYC DOE Administrative Engineer will review additional Boiler Maintenance Checklists and attached combustion efficiency test reports for

other boilers with a heat input capacity of greater than 5 MMBtu/hr, or boilers that were installed more than 20 years ago. This process will continue until the total number of Boiler Maintenance Checklists and associated efficiency reports reviewed is no less than 50% of all tune-ups conducted during the calendar year. In the event that the NYC DOE Administrative Engineer is unavailable for any reason, NYC DOE will ensure that the requirements in Paragraph 13.e are carried out by a New York State licensed Professional Engineer with applicable experience in boiler operations.

- i. If the NYC DOE Administrative Engineer or NYS licensed Professional Engineer identifies any deficiencies in any Boiler Maintenance Checklist, they shall promptly consult with the SMIM, and NYC DOE shall correct or address the deficiency within 10 days of the review. Defendants shall keep records of each review and verification conducted under this subparagraph in accordance with Paragraphs 57 and 58 of this Consent Judgment.
- 14. Reporting on action for boilers achieving less than 83 percent combustion efficiency ("CE"). As part of its semi-annual reporting requirement under Paragraph 24(a), Defendants will identify boilers achieving less than 83 percent CE and any actions planned to improve the CE, including but not limited to repair, conversion or replacement. In any case in which no action is planned, the reasons for the lack of action shall be documented.
- 15. Reporting provisions for "temporary boilers" that become subject to the Area Source Boiler Rule: Defendants shall include in each semi-annual report due under Paragraph 24(a), information regarding the status of "temporary boilers," as defined in 40 C.F.R. § 63.11237, such as identifying any new temporary boilers installed and operating, any temporary boilers that become permanent due to being in operation for longer than 12 consecutive months, and any removal or discontinued operation of temporary boilers.
- Approval of Deliverables. Except for the semi-annual reports submitted under Paragraph 24 of this Consent Judgment, after review of any plan, report, or other item that is required to be submitted pursuant to this Consent Judgment, EPA shall in writing: (a) approve the submission; (b) approve the submission upon specified conditions; (c) approve part of the submission and disapprove the remainder; or (d) disapprove the submission.
- 17. If the submission is approved pursuant to Paragraph 16, Defendants shall take all actions required by the plan, report, or other document, in accordance with the schedules and requirements of the plan, report, or other document, as approved. If the submission is conditionally approved or approved only in part pursuant to Paragraph 16(b) or (c), Defendants shall, upon written direction from EPA, take all actions required by the approved plan, report, or other item that EPA determines are technically severable from any disapproved portions, subject to Defendants' right to dispute only the specified conditions or the disapproved portions, under Section X (Dispute Resolution).
- 18. If the submission is disapproved in whole or in part pursuant to Paragraph 16(c) or (d), Defendants shall, within 60 days or such other time as the Parties agree to in writing, correct all deficiencies and resubmit the plan, report, or other item, or disapproved portion thereof, for approval, in accordance with the preceding Paragraphs. If the resubmission is approved in whole or in part, Defendants shall proceed in accordance with the preceding Paragraph.

- 19. If a resubmitted plan, report, or other item, or portion thereof, is disapproved in whole or in part, EPA may again require Defendants to correct any deficiencies, in accordance with the preceding Paragraphs, subject to Defendants' right to invoke Dispute Resolution and the right of EPA to seek stipulated penalties as provided herein.
- 20. Any stipulated penalties applicable to the original submission, as provided in Section VIII, shall accrue during the 60 day period or other specified period, but shall not be payable unless the resubmission is untimely or is disapproved in whole or in part; provided that, if the original submission was so deficient as to constitute a material breach of Defendant's obligations under this Consent Judgment, the stipulated penalties applicable to the original submission shall be due and payable notwithstanding any subsequent resubmission.
- 21. **Permits**. Where any compliance obligation under this Section requires Defendants to obtain a federal, state, or local permit or approval, Defendants shall submit timely and complete applications and take all other actions necessary to obtain all such permits or approvals. Defendants may seek relief under the provisions of Section IX (Force Majeure) for any delay in the performance of any such obligation resulting from a failure to obtain, or a delay in obtaining, any permit or approval required to fulfill such obligation, if Defendants have submitted timely and complete applications and have taken all other actions necessary to obtain all such permits or approvals.

#### VI. ADDITIONAL INJUNCTIVE RELIEF

- Early conversion/replacement of No. 4 oil-fired boilers to natural gas-fired boilers. Defendants shall complete each boiler conversion/replacement project as specified in this Paragraph. By no later than the dates provided below for each project, Defendants shall permanently cease using No. 4 oil as a fuel type for the specified boiler. Newly converted/replaced boilers that are installed pursuant to this Paragraph and that meet the definition of "gas-fired boiler" in 40 C.F.R. § 63.11237 will no longer be subject to the Area Source Boiler Rule, as provided in 40 C.F.R. § 63.11195(e).
- a. By no later than March 1, 2023, Defendants shall complete the conversion or replacement of the No. 4 oil-fired boiler at school K430 (Brooklyn Technical High School) and the conversion or replacement of the oil-fired boilers at school K068;
- b. By no later than October 15, 2022, Defendants shall complete the conversion or replacement of the oil-fired boilers at the following schools:
  - i. Q053;
  - ii. X029;
  - iii. K306;
  - iv. M117; and
  - v. M013.
- 23. **Mitigation Project Certifications**. With regard to the Mitigation Project, Defendants certify the truth and accuracy of each of the following:
  - a. That, as of the date of executing this Consent Judgment, Defendants are not required to perform or develop, by the compliance dates identified

- above in Paragraph 22, the Mitigation Project by any federal, state, or local law or regulation and is not required to perform or develop the Mitigation Project by agreement, grant, or as injunctive relief awarded in any other action in any forum;
- b. That the Mitigation Project is not a Mitigation Project that Defendants were planning or intending to construct, perform, or implement, by the compliance dates identified above in Paragraph 22, other than in settlement of the claims resolved in this Consent Judgment;
- c. That Defendants have not received and will not receive credit for the Mitigation Project in any other enforcement action; and
- d. That Defendants shall neither generate nor use any pollutant reductions from the Mitigation Project as netting reductions, pollutant offsets, or to apply for, obtain, trade, or sell any pollutant reduction credits.

#### VII. REPORTING REQUIREMENTS

- 24. Defendants shall submit the following reports:
- a. <u>Semi-annual report and/or notice of expected violation</u>: By July 31 and January 30 of each year after the lodging of this Consent Judgment, until termination of this Consent Judgment pursuant to Section XVIII, Defendants shall submit a semi-annual report for the preceding six months that shall include the status of any construction or compliance measures; completion of milestones; problems encountered or anticipated, together with implemented or proposed solutions; status of permit applications; operation and maintenance; and reports to state agencies.
  - i. The report shall also include a description of any non-compliance with the requirements of this Consent Judgment and an explanation of the violation's likely cause and of the remedial steps taken, or to be taken, to prevent or minimize such violation.
  - ii. If Defendants violate, or have reason to believe that they may violate, any requirement of this Consent Judgment, Defendants shall notify the United States of such violation and its likely duration, in writing, within ten business days of the Day Defendants first become aware of the violation, with an explanation of the violation's likely cause and of the remedial steps taken, or to be taken, to prevent or minimize such violation. If the cause of a violation cannot be fully explained at the time the report is due, Defendants shall so state in the report. Defendants shall investigate the cause of the violation and shall then submit an amendment to the report, including a full explanation of the cause of the violation, within 30 Days of the Day Defendants become aware of the cause of the violation. Nothing in this Paragraph or the following Paragraph relieves Defendants of their obligation to provide the notice required by Section IX (Force Majeure).

- 25. Whenever any violation of this Consent Judgment or any other event affecting Defendants' performance under this Consent Judgment, or the performance of boilers at the Subject Facilities, may pose an immediate threat to the public health or welfare or the environment, Defendants shall notify EPA orally or by electronic or facsimile transmission as soon as possible, but no later than 24 hours after Defendants first knew of the violation or event. This procedure is in addition to the requirements set forth in the preceding Paragraph.
  - 26. All reports shall be submitted to the persons designated in Section XIV (Notices).
- 27. Each report submitted by Defendants under this Section shall be signed by an official of the submitting party and include the following certification:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I have no personal knowledge that the information submitted is other than true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

- 28. This certification requirement does not apply to emergency or similar notifications where compliance would be impractical.
- 29. The reporting requirements of this Consent Judgment do not relieve Defendants of any reporting obligations required by the Act or implementing regulations, or by any other federal, state, or local law, regulation, permit, or other requirement.
- 30. Any information provided pursuant to this Consent Judgment may be used by the United States in any proceeding to enforce the provisions of this Consent Judgment and as otherwise permitted by law.

#### VIII. STIPULATED PENALTIES

- 31. Defendants shall be jointly and severally liable for stipulated penalties to the United States for violations of this Consent Judgment as specified below, unless excused under Section IX (Force Majeure). A violation includes failing to perform any obligation required by the terms of this Consent Judgment, including any work plan or schedule approved under this Consent Judgment, according to all applicable requirements of this Consent Judgment and within the specified time schedules established by or approved under this Consent Judgment.
- 32. <u>Late Payment of Civil Penalty</u>. If Defendants fails to pay the civil penalty required to be paid under Section IV (Civil Penalty) when due, Defendants shall pay a stipulated penalty of \$1,500 per Day for each Day that the payment is late.
- 33. <u>Compliance Requirements and Additional Injunctive Relief.</u> The following stipulated penalties shall accrue per violation per Day for each violation of a requirement of Paragraphs 12 and 13, and Paragraph 22:

Penalty Per Violation Per Day	Period of Noncompliance
\$500	1st through 14th day
\$1,000	15th through 30th day
\$2,000	31st day and beyond

34. <u>Reporting Requirements</u>. The following stipulated penalties shall accrue per violation per Day for each violation of the reporting requirements of Paragraphs 15 and 16, and Section VII:

Penalty Per Violation Per Day	<u>Period of Noncompliance</u>
\$250	1st through 14th day
\$500	15th through 30th day
\$750	31st day and beyond

- 35. Except as provided in subparagraphs 38.a and b., stipulated penalties under this Section shall begin to accrue on the Day after performance is due or on the Day a violation occurs, whichever is applicable, and shall continue to accrue until performance is satisfactorily completed or until the violation ceases. Stipulated penalties shall accrue simultaneously for separate violations of this Consent Judgment.
- 36. Defendants shall pay any stipulated penalty within 60 Days of receiving the United States' written demand.
- 37. The United States may in the unreviewable exercise of its discretion, reduce or waive stipulated penalties otherwise due it under this Consent Judgment.
- 38. Stipulated penalties shall continue to accrue as provided in Paragraph 35, during any Dispute Resolution, but need not be paid until the following:
  - a. If the dispute is resolved by agreement or by a decision of EPA that is not appealed to the District Court, Defendants shall pay accrued penalties determined to be owing, together with interest, to the United States within 60 Days of the effective date of the agreement or the receipt of EPA's decision or order.
  - b. If the dispute is appealed to the District Court and the United States prevails in whole or in part, Defendants shall pay all accrued penalties determined by the Court to be owing, together with interest, within 60 Days of receiving the Court's decision or order, except as provided in subparagraph c, below.
  - c. If any Party appeals the District Court's decision, Defendant shall pay all accrued penalties determined to be owing, together with interest, within 60 Days of receiving the final appellate court decision.
- 39. Defendants shall pay stipulated penalties owing to the United States at <a href="https://www.pay.gov">https://www.pay.gov</a> using the link for "EPA Miscellaneous Payments Cincinnati Finance Center," including references to the case name and the purpose of the payment. Defendant shall send a notice of this payment to the United States and EPA, in accordance with Section XIV (Notices).

- 40. If Defendants fail to pay stipulated penalties according to the terms of this Consent Judgment, Defendants shall be liable for interest on such penalties, as provided for in 28 U.S.C. § 1961, accruing as of the date payment became due. Nothing in this Paragraph shall be construed to limit the United States from seeking any remedy otherwise provided by law for Defendants' failure to pay any stipulated penalties.
- 41. The payment of penalties and interest, if any, shall not alter in any way Defendants' obligation to complete the performance of the requirements of this Consent Judgment.
- 42. **Non-Exclusivity of Remedy**. Stipulated penalties are not the United States' exclusive remedy for violations of this Consent Judgment. Subject to the provisions of Section XII (Effect of Settlement/Reservation of Rights), the United States expressly reserves the right to seek any other relief it deems appropriate for Defendants' violation of this Consent Judgment or applicable law, including but not limited to an action against Defendants for statutory penalties, additional injunctive relief, mitigation or offset measures, and/or contempt. However, the amount of any statutory penalty assessed for a violation of this Consent Judgment shall be reduced by an amount equal to the amount of any stipulated penalty assessed and paid pursuant to this Consent Judgment.

#### IX. FORCE MAJEURE

- 43. "Force majeure," for purposes of this Consent Judgment, is defined as any event arising from causes beyond the control of Defendants, of any entity controlled by Defendants, or of Defendants' contractors, that delays or prevents the performance of any obligation under this Consent Judgment despite Defendants' best efforts to fulfill the obligation. The requirement that Defendants exercise "best efforts to fulfill the obligation" includes using best efforts to anticipate any potential force majeure event and best efforts to address the effects of any force majeure (a) as it is occurring and (b) following the potential force majeure, such that the delay and any adverse effects of the delay are minimized. "Force Majeure" does not include Defendants' financial inability to perform any obligation under this Consent Judgment.
- If any event occurs or has occurred that may delay the performance of any obligation under this Consent Judgment, whether or not caused by a force majeure event, Defendants shall provide notice orally or by electronic or facsimile transmission to the EPA personnel identified in Section XIV (Notices), within 5 business days of when Defendants first knew that the event would likely cause a delay. Within 7 business days thereafter, Defendants shall provide in writing to EPA an explanation and description of the reasons for the delay; the anticipated duration of the delay; all actions taken or to be taken to prevent or minimize the delay; a schedule for implementation of any measures to be taken to prevent or mitigate the delay or the effect of the delay; Defendants' rationale for attributing such delay to a force majeure event if it intends to assert such a claim; and a statement as to whether, in the opinion of Defendants, such event may cause or contribute to an endangerment to public health, welfare or the environment. Defendants shall include with any notice all available documentation supporting the claim that the delay was attributable to a force majeure. Failure to comply with the above requirements shall preclude Defendants from asserting any claim of force majeure for that event for the period of time of such failure to comply, and for any additional delay caused by such failure. Defendants shall be deemed to know of any circumstance of which Defendants,

any entity controlled by Defendants, or Defendants' contractors that are responsible for performing any work under this Consent Judgment knew or should have known.

- 45. If EPA agrees that the delay or anticipated delay is attributable to a force majeure event, the time for performance of the obligations under this Consent Judgment that are affected by the force majeure event will be extended by EPA for such time as is necessary to complete those obligations. An extension of the time for performance of the obligations affected by the force majeure event shall not, of itself, extend the time for performance of any other obligation. EPA will notify Defendants in writing of the length of the extension, if any, for performance of the obligations affected by the force majeure event.
- 46. If EPA does not agree that the delay or anticipated delay has been or will be caused by a force majeure event, EPA will notify Defendants in writing of its decision.
- 47. If Defendants elect to invoke the dispute resolution procedures set forth in Section X (Dispute Resolution), they shall do so no later than 30 Days after receipt of EPA's notice. In any such proceeding, Defendants shall have the burden of demonstrating by a preponderance of the evidence that the delay or anticipated delay has been or will be caused by a force majeure event, that the duration of the delay or the extension sought was or will be warranted under the circumstances, that best efforts were exercised to avoid and mitigate the effects of the delay, and that Defendants complied with the requirements of Paragraphs 44 and 45. If Defendants carry this burden, the delay at issue shall be deemed not to be a violation by Defendants of the affected obligation of this Consent Judgment identified to EPA and the Court.

#### X. DISPUTE RESOLUTION

- 48. Unless otherwise expressly provided for in this Consent Judgment, the dispute resolution procedures of this Section shall be the exclusive mechanism to resolve disputes arising under or with respect to this Consent Judgment. Defendants' failure to seek resolution of a dispute under this Section shall preclude Defendants from raising any such issue as a defense to an action by the United States to enforce any obligation of Defendants arising under this Consent Judgment.
- 49. <u>Informal Dispute Resolution</u>. Any dispute subject to Dispute Resolution under this Consent Judgment shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when Defendants send the United States a written Notice of Dispute. Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed 20 Days from the date the dispute arises, unless that period is modified by written agreement. If the Parties cannot resolve a dispute by informal negotiations, then the position advanced by the United States shall be considered binding unless, within 45 Days after the conclusion of the informal negotiation period, Defendants invoke formal dispute resolution procedures as set forth below.
- 50. <u>Formal Dispute Resolution</u>. Defendants shall invoke formal dispute resolution procedures, within the time period provided in the preceding Paragraph, by serving on the United States a written Statement of Position regarding the matter in dispute. The Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting Defendants' position and any supporting documentation relied upon by Defendants.

13

- 51. The United States shall serve its Statement of Position within 45 Days of receipt of Defendants' Statement of Position. The United States' Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting that position and any supporting documentation relied upon by the United States. The United States' Statement of Position shall be binding on Defendants, unless Defendants file a motion for judicial review of the dispute in accordance with the following Paragraph.
- 52. Defendants may seek judicial review of the dispute by filing with the Court and serving on the United States, in accordance with Section XIV (Notices), a motion requesting judicial resolution of the dispute. The motion must be filed within 20 Days of receipt of the United States' Statement of Position pursuant to the preceding Paragraph. The motion shall contain a written statement of Defendants' position on the matter in dispute, including any supporting factual data, analysis, opinion, or documentation, and shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly implementation of the Consent Judgment.
- 53. The United States shall respond to Defendants' motion within the time period allowed by the Local Rules of this Court. Defendants may file a reply memorandum, to the extent permitted by the Local Rules.

#### 54. Standard of Review

- a. **Disputes Concerning Matters Accorded Record Review**. Except as otherwise provided in this Consent Judgment, in any dispute brought under Paragraph 50 pertaining to the adequacy or appropriateness of plans, procedures to implement plans, schedules or any other items requiring approval by EPA under this Consent Judgment; the adequacy of the performance of work undertaken pursuant to this Consent Judgment; and all other disputes that are accorded review on the administrative record under applicable principles of administrative law, Defendants shall have the burden of demonstrating, based on the administrative record, that the position of the United States is arbitrary and capricious, or otherwise not in accordance with law.
- b. **Other Disputes**. Except as otherwise provided in this Consent Judgment, in any other dispute brought under Paragraph 50, Defendants shall bear the burden of demonstrating that their position complies with this Consent Judgment and better furthers the objectives of the Consent Judgment.
- 55. The invocation of dispute resolution procedures under this Section shall not, by itself, extend, postpone, or affect in any way any obligation of Defendants under this Consent Judgment, unless and until final resolution of the dispute so provides. Stipulated penalties with respect to the disputed matter shall continue to accrue from the first Day of noncompliance, but payment shall be stayed pending resolution of the dispute as provided in Paragraph 38. If Defendants do not prevail on the disputed issue, stipulated penalties shall be assessed and paid as provided in Section VIII (Stipulated Penalties).

#### XI. INFORMATION COLLECTION AND RETENTION

- 56. The United States and its representatives, including attorneys, contractors, and consultants, shall have the right of entry into any facility covered by this Consent Judgment, at all reasonable times, upon presentation of credentials, to:
  - a. monitor the progress of activities required under this Consent Judgment;
  - b. verify any data or information submitted to the United States in accordance with the terms of this Consent Judgment;
  - c. obtain samples and, upon request, splits of any samples taken by Defendants or their representatives, contractors, or consultants;
    - d. obtain documentary evidence, including photographs and similar data; and
    - e. assess Defendants' compliance with this Consent Judgment.
- 57. Until five years after the termination of this Consent Judgment, Defendants shall retain, and shall instruct their contractors and agents to preserve, all non-identical copies of all documents, records, or other information (including documents, records, or other information in electronic form) in their or their contractors' or agents' possession or control, or that come into their or their contractors' or agents' possession or control, and that relate in any manner to Defendants' performance of their obligations under this Consent Judgment. This information-retention requirement shall apply regardless of any contrary corporate or institutional policies or procedures. At any time during this information-retention period, upon request by the United States, Defendants' shall provide copies of any documents, records, or other information required to be maintained under this Paragraph.
- Paragraph, Defendants shall notify the United States at least 90 Days prior to the destruction of any documents, records, or other information subject to the requirements of the preceding Paragraph and, upon request by the United States, Defendants shall deliver any such documents, records, or other information to EPA. Defendants may assert that certain documents, records, or other information is privileged under the attorney-client privilege or any other privilege recognized by federal law. If Defendants assert such a privilege, it shall provide the following: (a) the title of the document, record, or information; (b) the date of the document, record, or information; (c) the name and title of each author of the document, record, or information; (d) the name and title of each addressee and recipient; (e) a description of the subject of the document, record, or information; and (f) the privilege asserted by Defendants. However, no documents, records, or other information created or generated pursuant to the requirements of this Consent Judgment shall be withheld on grounds of privilege.
- 59. Defendants may also assert that information required to be provided under this Section is protected as Confidential Business Information ("CBI") under 40 C.F.R. Part 2. As to any information that Defendants seeks to protect as CBI, Defendants shall follow the procedures set forth in 40 C.F.R. Part 2.
- 60. This Consent Judgment in no way limits or affects any right of entry and inspection, or any right to obtain information, held by the United States pursuant to applicable

federal laws, regulations, or permits, nor does it limit or affect any duty or obligation of Defendants to maintain documents, records, or other information imposed by applicable federal or state laws, regulations, or permits.

#### XII. EFFECT OF SETTLEMENT/RESERVATION OF RIGHTS

- 61. This Consent Judgment resolves the civil claims of the United States for the violations alleged in the Complaint filed in this action through the date of lodging.
- 62. The United States reserves all legal and equitable remedies available to enforce the provisions of this Consent Judgment. This Consent Judgment shall not be construed to limit the rights of the United States to obtain penalties or injunctive relief under the Act or implementing regulations, or under other federal laws, regulations, or permit conditions. The United States further reserves all legal and equitable remedies to address any imminent and substantial endangerment to the public health or welfare or the environment arising at, or posed by, Defendants' Subject Facilities, whether related to the violations addressed in this Consent Judgment or otherwise.
- 63. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, civil penalties, other appropriate relief relating to the Subject Facilities or Defendants' violations, Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case, except with respect to claims that have been specifically resolved pursuant to Paragraph 61.
- 64. This Consent Judgment is not a permit, or a modification of any permit, under any federal, State, or local laws or regulations. Defendants are responsible for achieving and maintaining complete compliance with all applicable federal, State, and local laws, regulations, and permits; and Defendants' compliance with this Consent Judgment shall be no defense to any action commenced pursuant to any such laws, regulations, or permits, except as set forth herein. The United States does not, by its consent to the entry of this Consent Judgment, warrant or aver in any manner that Defendants' compliance with any aspect of this Consent Judgment will result in compliance with provisions of the Act, 42 U.S.C. § 7412 et seq., or with any other provisions of federal, State, or local laws, regulations, or permits.
- 65. This Consent Judgment does not limit or affect the rights of Defendants or of the United States against any third parties, not party to this Consent Judgment, nor does it limit the rights of third parties, not party to this Consent Judgment, against Defendants, except as otherwise provided by law.
- 66. This Consent Judgment shall not be construed to create rights in, or grant any cause of action to, any third party not party to this Consent Judgment.

#### XIII. COSTS

67. The Parties shall bear their own costs of this action, including attorneys' fees, except that the United States shall be entitled to collect the costs (including attorneys' fees)

incurred in any action necessary to collect any portion of the civil penalty or any stipulated penalties due but not paid by Defendants.

#### XIV. NOTICES

68. Unless otherwise specified in this Consent Judgment, whenever notifications, submissions, or communications are required by this Consent Judgment, they shall be made in writing and addressed as follows:

To the United States:

EES Case Management Unit eescdcopy.enrd@usdoj.gov Re: DOJ No. 90-5-2-1-11718

69. Any Party may, by written notice to the other Parties, change its designated notice recipient or notice address provided above.

70. Notices submitted pursuant to this Section shall be deemed submitted upon mailing, unless otherwise provided in this Consent Judgment or by mutual agreement of the Parties in writing.

#### XV. EFFECTIVE DATE

71. The Effective Date of this Consent Judgment shall be the date upon which this Consent Judgment is entered by the Court or a motion to enter the Consent Judgment is granted, whichever occurs first, as recorded on the Court's docket.

#### XVI. RETENTION OF JURISDICTION

72. The Court shall retain jurisdiction over this case until termination of this Consent Judgment, for the purpose of resolving disputes arising under this Consent Judgment or entering orders modifying this Consent Judgment, pursuant to Sections XI and XVII, or effectuating or enforcing compliance with the terms of this Consent Judgment.

#### XVII. MODIFICATION

- 73. The terms of this Consent Judgment, including any attached appendices, may be modified only by a subsequent written agreement signed by all the Parties. Where the modification constitutes a material change to this Consent Judgment, it shall be effective only upon approval by the Court.
- 74. Any disputes concerning modification of this Consent Judgment shall be resolved pursuant to Section XI (Dispute Resolution), provided, however, that, instead of the burden of proof provided by Paragraph 54, the Party seeking the modification bears the burden of demonstrating that it is entitled to the requested modification in accordance with Federal Rule of Civil Procedure 60(b).

#### XVIII. TERMINATION

- 75. After Defendants have completed the requirements of Section V (Compliance Requirements), have maintained continuous satisfactory compliance with this Consent Judgment for a period of at least three (3) consecutive years from the Effective Date, have complied with all other requirements of this Consent Judgment, including those pertaining to Appendix A relating to boiler tune-ups, and those relating to the mitigation actions required by Section VI (Additional Injunctive Relief), and have paid the civil penalty and any accrued stipulated penalties as required by this Consent Judgment, Defendants may serve upon the United States a Request for Termination, stating that Defendants have satisfied those requirements, together with all necessary supporting documentation.
- 76. Following receipt by the United States of Defendants' Request for Termination, the Parties shall confer informally concerning the Request and any disagreement that the Parties may have as to whether Defendants have satisfactorily complied with the requirements for termination of this Consent Judgment. If the United States agrees that the Consent Judgment may be terminated, the Parties shall submit, for the Court's approval, a joint stipulation t erminating the Consent Judgment.

77. If the United States does not agree that the Consent Judgment may be terminated, Defendants may invoke Dispute Resolution under Section X. However, Defendants shall not seek Dispute Resolution of any dispute regarding termination until 60 Days after service of their Request for Termination.

#### XIX. PUBLIC PARTICIPATION

78. This Consent Judgment shall be lodged with the Court for a period of not less than 30 Days for public notice and comment in accordance with 28 C.F.R. § 50.7. The United States reserves the right to withdraw or withhold its consent if the comments regarding the Consent Judgment disclose facts or considerations indicating that the Consent Judgment is inappropriate, improper, or inadequate. Defendants consent to entry of this Consent Judgment without further notice and agree not to withdraw from or oppose entry of this Consent Judgment by the Court or to challenge any provision of the Consent Judgment, unless the United States has notified Defendants in writing that it no longer supports entry of the Consent Judgment.

#### XX. SIGNATORIES/SERVICE

- 79. Each undersigned representative of Defendants and the Assistant Attorney General for the Environment and Natural Resources Division of the Department of Justice certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Judgment and to execute and legally bind the Party he or she represents to this document.
- 80. This Consent Judgment may be signed in counterparts, and its validity shall not be challenged on that basis. Defendants agree to accept service of process by mail with respect to all matters arising under or relating to this Consent Judgment and to waive the formal service requirements set forth in Rules 4 and 5 of the Federal Rules of Civil Procedure and any applicable Local Rules of this Court including, but not limited to, service of a summons. Defendants need not file an answer to the complaint in this action unless or until the Court expressly declines to enter this Consent Judgment.

#### XXI. INTEGRATION

81. This Consent Judgment constitutes the final, complete, and exclusive agreement and understanding among the Parties with respect to the settlement embodied in the Consent Judgment and supersedes all prior agreements and understandings, whether oral or written, concerning the settlement embodied herein. Other than deliverables that are subsequently submitted and approved pursuant to this Consent Judgment, the Parties acknowledge that there are no representations, agreements, or understandings relating to the settlement other than those expressly contained in this Consent Judgment.

#### XXII. FINAL JUDGMENT

82. Upon approval and entry of this Consent Judgment by the Court, this Consent Judgment shall constitute a final judgment of the Court as to the United States and Defendants.

#### XXIII. APPENDICES

83. The following Appendices are attached to and are part of this Consent Judgment:

"Appendix A" is the Notification of Compliance Status (NOCS) spreadsheet, last updated by NYC DOE on April 19, 2020, which lists the Subject Facilities, regulated boilers, and tune-up information, among other things;

"Appendix B" is the Compliance Management Plan flow chart summarizing the requirements in Paragraph 13 of this Consent Judgment;

"Appendix C" are the requirements for obtaining a Class A or Class B Oil Burning Equipment Installer license in New York City; and

"Appendix D" is the Boiler Maintenance Checklist to be used for each tuneup conducted at the Subject Facilities.

Dated and entered this day of	, 20

# Appendix B

# Appendix C

# Obtain a: Class A or B Oil Burner Equipment Installer License

# **STEP 1: EXAM GUIDELINES**

To obtain an **Oil Burner Equipment Installer** license, you **must** meet the following qualifications:

- Be at least eighteen (18) years old
- Be able to read and write the English language
- Be fit to perform the work authorized by the license
- Have good moral character so as not to adversely impact your fitness to perform the duties and responsibilities of an Oil Burner Equipment Installer

#### Class A Applicants

All Class A Oil Burner Equipment Installer applicants must have at least four (4) years of practical
experience within seven (7) years prior to application in the installation of oil-burning equipment
under the direct and continuing supervision of a Department Licensed Class A Oiler Burner
Equipment Installer in New York City, including at least one (1) year of experience in the
installation of oil-burning equipment for the use of No. 5 and No. 6 fuel oils.

### Class B Applicants

All Class B Oil Burner Equipment Installer applicants must have at least three (3) years of
practical experience within five (5) years prior to application in the installation of oil-burning
equipment under the supervision of a Department Licensed Oiler Burner Equipment Installer.

NOTE: Please see the full text of Title 28 of the New York City Administrative Code for all the qualifications requirements

# STEP 2: APPLYING FOR THE LICENSE

You must pass a written and practical exam in order to become an Oil Burner Equipment Installer.

#### Written

You must complete the exam application (LIC41), choose the Oil Burner box, then indicate if you are applying for a Class A or Class B license. Submit the application with the \$525.00 fee to the Department (see contact information below). After passing the written exam, you **must** apply to take the practical exam (LIC42).

#### **Practical**

After passing the written exam, you **must** apply to take the practical exam (LIC42). To do this you **must** complete the exam application, check the box that indicates you are an Oil Burner candidate then select either the Class A or Class B designation. Submit the application with the \$350.00 fee, **payable by money order only**, to:

NYC Department of Buildings Licensing & Exams Unit – Exams 280 Broadway, 6<sup>th</sup> Floor New York, NY 10007

NOTE: As of March 16, 2017, you have up to twenty-four (24) months from the date of notification of passing the written examination to pass the practical examination.

# STEP 3: SCHEDULING YOUR EXAM

After submitting your exam application, you **must** next schedule your exams.

- If your application is accepted, you will receive an email from the exam administrator in one (1) to two (2) weeks with instructions on how to schedule your exam. Exams are given at several different locations in the State.
- The written exam consists of multiple-choice questions that assess your knowledge of the NYC Administration Code. You will not be allowed to use reference materials during the exam.
- Passing score is seventy (70) percent. If you pass the written exam you will receive your report (printed by the site proctor) at the exam site at the time of testing, and a practical exam will be scheduled.
- If you pass the practical exam, you will receive a letter via US Mail by CPS approximately three (3) to four (4) weeks after the date the candidate takes the practical exam.

# **STEP 4: BACKGROUND INVESTIGATION**

To become an Oil Burner Equipment Installer, you **must** also pass a background investigation by submitting the below documents, in-person and by appointment only, to the Department at:

NYC Department of Buildings Licensing & Exams Unit 280 Broadway, 6th Floor New York, NY 10007

You **must** bring the following with you to your appointment:

- Examination Score Report Form
- LIC2 Application Form
- Typed LIC34, if applicable
- LIC50 or LIC51 application

NOTE: Applicants with a home address outside of New York City's five (5) boroughs **must** complete the LIC50 Authorization for Service of Process by Agent. Applicants may also fill out the LIC51 Voluntary Authorization for Service of Process by Email even if they reside within the City of New York.

- Supplemental Investigation Questionnaire
- Notarized Background Investigation Questionnaire
- LIC62: Physical Exam Form, must be completed within 90 days prior to application date
- Experience Verification Forms from all supervisors for the years you are claiming as experience NOTE: Experience Verification Forms from company Human Resources will not be accepted.
- Certified Social Security History of Earnings for the years you are claiming as experience this is NOT the Social Security Statement.

NOTE: There is a fee charged by the Social Security Administration for this service. You **must** request the report to be run by 'company name'. You may request the information by mail or in-person (ordinarily you can receive this instantly in-person). Visit (http://www.ssa.gov/online/ssa-7050.html) for more information

Photo ID (driver's license, learner's permit, state ID, green card, or passport)

- Original Social Security Card
- Original birth certificate, current passport or green card
- Proof of residence (utility bill, lease or deed) or a typed notarized letter and bill from the person you are residing with
  - NOTE: Cell phone bills will not be accepted
- Latest pay stub or W-2
- Two (2) passport sized photographs
- Child Support Certification Form
- \$500.00 Background Investigation Fee for questions pertaining to your background investigation or to find out the status, please send inquiries to <a href="mailto:lbackgrounds@buildings.nyc.gov">lbackgrounds@buildings.nyc.gov</a>

Applicants have **one (1)** year to complete the submission of all documentation.

# STEP 5: OBTAINING YOUR LICENSE CARD

Once you have passed the exams and background investigation, you need to apply for your Oil Burner Equipment Installer License.

- If you pass both exams and the background investigation, you will be notified in writing by the Department's Licensing Unit that you are eligible to apply for an Oil Burner Equipment Installer License.
- You have one (1) year from the date of that letter to begin submitting the required documents for your license. If you do not complete the process within one (1) year of the date on the letter, you will be required to retake the exams.
- You must make an appointment to apply for a license by calling the Department's Licensing & Exams
  Unit at (212) 393-2259. All documents submitted must be originals; copies will not be accepted.
  Candidates without appointments will not be seen.
